The lycée is located close to public transport networks. (<http://www.tpg.ch>)

In the residential neighbourhood of Florissant, Geneva, between the town centre and the countryside, the lycée is situated in a calm, beautiful area, perfect for studying. Several bus lines pass close to the school, including the 8 (Station- Veyrier) and 21 (Station/Eaux Vives direction).

The lycée also organises school transport with its own minibuses from Hermance (passing by Vézenaz and the Eaux Vives station).
